Your Report Overview

Thank you for taking the Springboard Audit

Use this section to introduce the categories that you've scored your lead against. Explain what a low score or a high score means and talk about the suggested improvements that will be included in the rest of your report.

We've scored you against the following key areas

Website Management

Your Score:

60%

Good

Website Management

Give a short overview of what this category is about, what the score means and how your lead might be able to improve their score. Use static or dynamic content here.

Tips to improve your Website Management score

Improvement Title

Use this area to offer advice on how to improve the category score. It could be generic advice that reads well regardless of score, or dynamic content that changes based on the score tiers. You also have the option to start introducing your company products or services at this point.
